

Made in Baden-Württemberg

Our oil separators are the result of our total commitment to quality, innovative technology, years of experience and consistent further development of tried and tested systems.

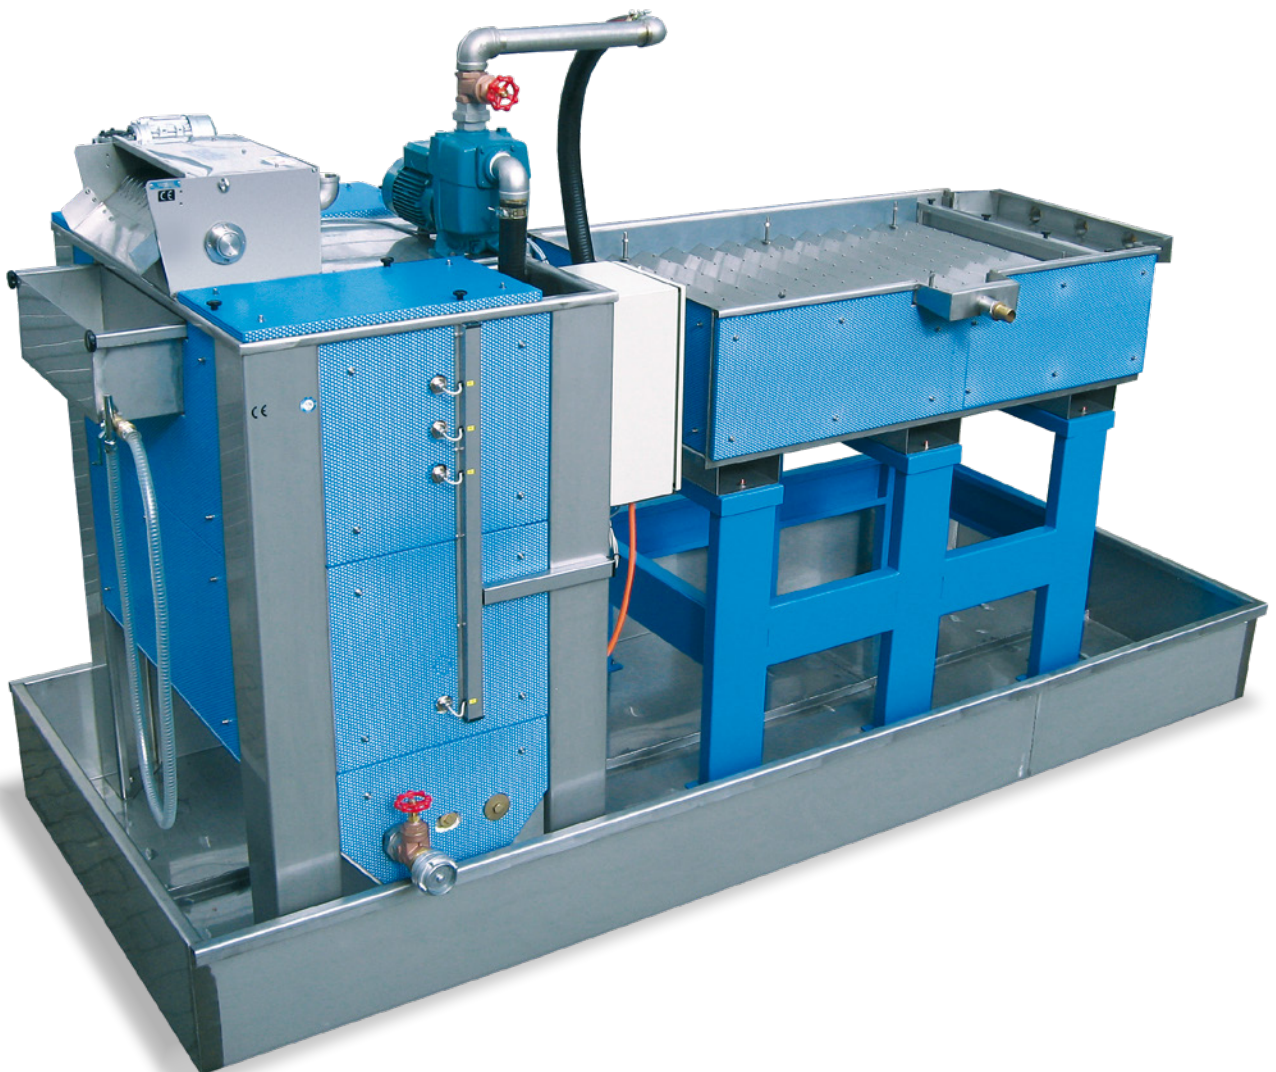

OIL SEPARATOR

for washing machines

Stainless steel oil separator with thermal insulation, feed tank, collecting tank, pump and magnetic separator.

Technical data:

Hydraulic capacity:
about 150 l/min.

OIL SEPARATOR

Hydroforming

Sheet steel oil separators, powder coated with hydrocyclone for the separation of solids up to 5 µm.

Technical data:

Hydraulic capacity:
about 15 l/min.
